

BAFFIN AUTOMATIC

Brought to you by

alivat

YOUR MULTI POSITIONING DEVICE

The Baffin Automatic is here to revolutionise sitting and standing by combining the two functions into the one product.

Get the benefits of both a seating system and a standing frame in the one piece of equipment. This is not only cost effective, only needing the one product, but its a space saver.

STANDING

LYING

SEATING

SECOND SPINE

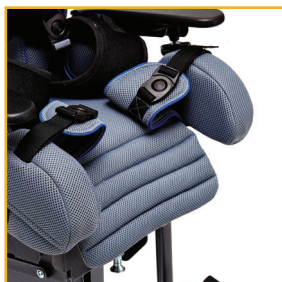

The baffin has a innovative built in spine which allows the back support to be shaped and positioned to the users shape. The Baffin also has fully adjustable lateral supports and a pelvic correction feature.
